BEAUTY
IS THE
BEAST

*Note: In Japanese, the word for festival and vegetable sound the same

This time, I'd like to share with everyone a few things included in letters.

Dorm happenings (1)

"The dorm that I live in can compete with Elm's in terms of eggs. The rules are also very strict, we even have to line up in the corridor every morning for a roll call. We never don't turn up gets into huge trouble later"

→ University students seem to be all like this. (1)

But good things come with the bad, only when you have experienced the very worst, can you rise up above all others

IN THIS KIND
OF SITUATION,
YOU HAVE TO
PICK UP*!

BECAUSE
EVERYBODY LIVES
CELEBRATORY
ACTIVITIES

THEY GO
TO THE

I'LL JUST GO OVER THE MOST IMPORTANT POINTS!

SILENCE!

HERE.

Good morning, Mr. Tanaka!

.....

I HOPE EVERYONE CAN WORK TOGETHER, TO MAKE EACH OF THEM A SUCCESS!

THIS TERM WE HAVE OUR FORM FESTIVAL — AMONG OTHER OCCASIONS,

AND ALLOW ANY SUCCESSOR TO TAKE OVER —

AND ANOTHER THING!

EVEN THOUGH THIS IS UNUSUAL... TODAY I AM GOING TO RESIGN FROM THE POSITION OF FORM ADVISOR... THE...

I HAVE
FINISHED
SPEAKING!

ANY
OBJEC-
TIONS?

What...
WHAT
KIND OF
JOKE IS
THIS?

WHY A
SECOND
YEAR?

AND
WHY IS IT
WANIBU-
CHI?

Pfft.

OUR SCHOOL
WANTED TO RAISE
ITS RANKING
LEVEL, SO THEY
ACCEPTED AWAY
SCHOLARSHIP
STUDENTS FROM
OUTSIDE.

EVERY ONE
OF THEM IS
COMPLETELY
SELF-CEN-
TERED.

STUDENT COUNCIL HAS ONE PROBLEM
THEY ARE ALL SELF-CENTERED AND THEY
DON'T HAVE ANY GROUP SPIRIT.

WITH ALL OF
THE SCHOOL
ACTIVITIES,
THEY JUST
STUMBLE
THROUGH AND
GET AWAY
WITH IT.

STRONGLY AGREE

Genie Hoto
the son

IT'S
DECIDED
THEN!

OH, IS
THAT
SO?

AGAIN...

What?

WHAT?

WHAT'S
THE MALE
FORM
DOING?

ONE MORE
STEP

THAT'S GOOD

THAT
WILL BE
A LOT OF
FUN!

Genie Hoto

Genie Hoto

DON'T LOOK

FROM THE
BOYS

OH,
YOU
DON'T

ABOUT
THIS.

THEY
EVEN HAVE
A DRYER.
THE LAZY

Eh

I GET MAD
WHenever I
THINK OF IT,
THE MALE
DOGS HAVE
AIR-CON-
DITIONING!

THE
MORE I
THINK
ABOUT IT
THE
ANGRIER I GET!

This
is...

A male spring up because of
differences in living conditions.

THAT'S
RIGHT!

And they
have more
money too.

REALLY WHAT
WITH THE MID-
TERM EXAMS
COMING UP

IT'S REALLY
EASY TO
ORGANIZE.

HAHAHA

Study Room

WHAT
SHOULD
WE DO
FOR THE
FESTIVAL?

POOL
COULD BE
FUN.

AND WE ONLY
NEED TO PLAY
WITH THE VIS-
ITORS.

IT SAVES
A LOT OF
TROUBLE
OVERALL

AH, IN THE
LAST BOOK
MATH EXAM...

Oh
Do you
want to
study?

etc: long

YES—

ARE YOU STILL
HOLDING THE
MEETING?

THE LIGHTS
ARE GOING
OUT SOON! THE
NEXT CAN BE
DISCUSSED
TOMORROW AT
SCHOOL.

THEN, WE'VE
DECIDED THAT
IT'LL BE POOL...

SJ — LENCE

WATCH
YOUR ATTITUDE.

WASS-
BUCH!

NO, IT'S
FINE.

LIKE CRAP,
THANKS TO
YOU.

HOW DOES
BEING SOME
REPRESENTA-
TIVE FEEL?

THIS IS PUN-
ISHMENT FOR
YOU ALWAYS
ACTING AS
YOU WISH—

I JUST
WANT
YOU TO
LEARN TO
RESTRAIN
YOUR-
SELF.

GOING OUT
WITHOUT PER-
MISSION AND
NOT RETURN-
ING UNTIL
MORNING.

Leave it.

YOU'RE GOING
TO BE IN FOR IT
LATER, ANYWAY.

WATCH
HOW YOU
TALK!

OLD PEOPLE
DO TEND TO
DUMBLE A
LOT, DON'T
THEY?

Boy talks!

THE
CLOTHES
ARE FIN-
ISHED!

Take
LOOK!

BUT, FELISA
SAID THERE'S
STILL A LOT OF
TROUBLE AHEAD

I THINK
IT WAS
POOR...

Did Sora just
look totally
out-of-char-
acter?

Is that
not
Sora?

Go away

What's
that
about?

WHAT DID THE
GUYS COME
UP WITH?

AH.

E-
WAA-
BUCH-
SENPAI.

THEN... WHEN
SHOULD WE
BEGIN?

AH...
YES.

WE ONLY
NEED THE
TABLE AND
THE STICKS,
THE OTHER
THINGS WILL
BE EASY.

FIND OUT
WHAT ELSE
WE NEED AND
WRITE IT
DOWN.

RIGHT
NOW.

WAIT A
MINUTE!

AH...
YES!

Always been
planning about
this and that...
don't you ever
get tired?

Always been
planning about
this and that...

Always been
planning about
this and that...

BUT —

THAT PERSON
IS REALLY
SCREWED
AROUND!

HEARDING JEN SAY
THAT, I TOO THINK
THAT MORE
PEOPLE HAVE
COMPLICATIONS...

YOU'VE
BEEN
DUPED!

HOW
CAN THE
THREE
OF US
DO IT?

WE
CAN'T!

IT'S
EASIER
WITH LOTS
PEOPLE!

IT DOESN'T
MATTER
HOW MANY
UNLESS
PEOPLE COME...

WOAH...
YOU'RE
REALLY...

Hiya everyone—
This is PHANTASIA
TORG. Thank you
very much for
reading this week's
issue.

Igh—this time I want
to tell everyone
about the entire
process of colored
pages from the initial
sketching to the fi-
nished work, because
so many readers have
asked me about it.

Good readers don't
just wait to give me
advice and support—
they also express
their own emotions
(in my mind case) I
just know that many
other people have ex-
periences in art too.

And to the readers
who have to immerse
in art... It's possible
you find that

...stress, that stress
there is colored
pages.

Please bear with me.

NOT
GOOD.

HOW'S THE
CONSTRUCTION
GOING?

THAT'S URGENT
LET'S GO AND COME
HELP ME.

THAT'S
NOT A
GOOD
SIGN...

—

WE'LL
STOP...

OKAY
OKAY,

EVERY ONE
STOP...

ah, that's
right. i
thought so.

good
good

really?

...even
though it's
kind of, you
know, but i
still want
to say...

yeah

so...

if anything
happens, i'll
definitely
back you.

THIS IS
FOR YOU,
IT'S VERY
NUTRITIONAL!

AND
MIRACLES
TOO...

"A kind of candy, made of nutrients"

"DON'T
WORRY."

It was only because
him, but could not have
returned by us.

YEAH.

"DON'T
WORRY."

THAT'S WHAT
YOU WERE
GOING TO
SAY, RIGHT?

ONE ON ONE.

LET'S HAVE
A GAME.

TWACK

ARE THEY
PLAYING
A TEST
GAME?

THE GUYS
HAVE FINISHED
THE POOL
TABLE.

AH.

He's
PLAYING
AGAINST
WINDLIGHT

ALL IT'S
THE DOWN
REPRESENTATIVE

HIS
SKILLS ARE
UNMATCHED.

WANT
TO GO
WATCH?

HEY,
EVERYONE'S
GATHERING
OVER
THERE...

WHAT HAD
PENED?

ROLL

CLONK

ROLL

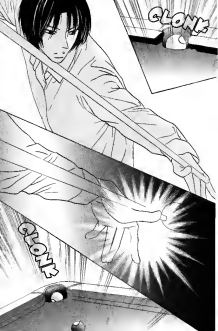

YEAH,
ME TOO.

The winner
of course has
to be.

So good.

I...

I WANT TO
TRY, TOO.

HIS IS
THE SO-
CALLED...

ONE STICK
CLEARS
ALL*!

HEY HEY,
THAT
GUY...

HE DOESN'T
SEEM TO
WANT TO
GIVE THE
DORM REP
A TURN...

One stick clears all! Not giving the
dorm rep a turn at all, reaching all his
abilities for the first time, that's the

THE
MALE DORM
WOULD BAND
TOGETHER...

I JUST
THOUGHT
THAT IF
EVERYONE
HAD A
COMMON
DRINK,

I WAS
WRONG.

I DIDN'T
THINK IT
WOULD GET
WORSE.

The festival,

will soon
begin.

Damn Appearings (2)

My oldest son was a boarder when he was at school. That place shouldn't have been called a dormitory, it was more like a pig pen. Can you imagine what the room of four twenty-something year old boys would look like?

1. Sketches

First, I do the pencil sketches on a fairly-sized piece of paper.

That is the first step in deciding the characters' personas; it takes some time (quite a long time).

That is because I'm a very indecisive kind of person.

Then, I decide where to put the text for the cover of *LULU*, and decide on the next, or expansion for the characters. I don't mind so much about the colored pages in the magazines, because on the cover of my works, it's a habit of mine to leave the background white.

If I'm still not satisfied after heaps of changes, I'll want to get married! In that kind of situation, I'd buy boxes of junk food and put out "Wine—

1. Trace the sketch onto clean paper

My drawing paper is the just normal KPMK paper you can get from any paper store.

First, I trace the original sketch onto clean paper.

I have a proper tracing board for this now. Before, I used to sit in front of the window and use the sun, high noon paper. I had no idea of drawing.

And by the way, I'm very bad at tracing. So the sketchbook you often see has the discrepancy with the original. I don't know if this is no bad cause, or if it's actually not being too much of a perfect thing. I guess I'll never know.

OH, IT'S THIS LATE ALREADY?

Under "Crisis's" *What's the Problem?* question, they read a real-life example of a crisis in a teacher's practice. In this case, a teacher's refusal to adhere to a policy, and the subsequent consequences, are explored. The article includes a problem, and then discusses the teacher's response to the problem, and the consequences of the teacher's actions.

### Dorm happenings (3)

"My dorm is different from Elio's: the guys and girls live together. Whenever we need the guys' help with something, a few bags of junk food would do the trick. Like me, I usually use junk food as a payment and ask them to tutor me in Math."

→ That's so cool! Girls and boys living together is such a dream! I like this kind of feeling. This kind of dorm gives off such a happy vibe.

Taking the chance for clarification.

3. (Being) Ink

I started with a bad going job to draw dark lines. Even if it's a black-and-white page, I started with the dark ink.

The ink I use is the type used for comics, calligraphy and such. Before using, I washed down it so so to make it wet.

The brush and the colored ink are also very suitable for drawing dark lines, even though I hardly ever do this but I re-arrange every day which colors I'm drawing dark lines the most.

But when drawing dark lines, I sometimes come from the original drawing, but it doesn't seem good, so I have to start from scratch again... then.

4. Deciding Colours

I almost began the first sketches with the colours all in mind, so at the end I wasn't too put-off by frustrated as artists colouring to use. But because of this, the colour combinations turn out a bit weird at times...

The materials used for colouring in include coloured pens, water colour and var (blue-fluorescing is off). I also use a lot of orange-colour. For skin I like to use tan from the '3/3' Micropen for making the red and pinkish colours. (I think: Not sure what these are Micropen-shaped items!)

Yes, these pens aren't being produced anymore, and are supposed to be making less, too. I don't know what I'm going to do in the future...

(It seems I haven't used anything really, sorry about that!)

Yup, because of past
concerns, this time
maybe no-reply,

be able to receive one
from. Thank you very
